Welcome to Heroin Anonymous

Heroin Anonymous is a non-profit fellowship of men and women who have found a solution to heroin addiction. We are recovered heroin addicts who meet regularly to help each other stay sober. The only requirement for membership is a desire to stop suffering from heroin addiction. There are no dues or fees for H.A. membership. H.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy and neither endorses nor opposes any causes.Our primary purpose is to stay sober and to help other heroin addicts to achieve sobriety. Our members consist of individuals who have found a better way of life. We have recovered from heroin addiction and simply wish to offer help to those who suffer.

Singleness of Purpose

H.A. is a group of heroin addicts helping other heroin addicts achieve sobriety through the twelve steps. In keeping the focus on heroin addiction in our meetings, we are providing a place where addicts can come together and share about their common problem, addiction to heroin, as well as the common solution. In maintaining our singleness of purpose, we recognize our limitations, but we ensure that the heroin addict will always have a place they can go to find recovery. Heroin Anonymous wishes to include all people who suffer from opiate and opioid addictions into the classification of “heroin addict,” as we believe there is little difference in getting free from these substances.
